

Enroll, Insure & Retain Employees

Kavi Marketplace makes healthcare interaction easy with online billing, consolidated administration and a variety of plans to choose from.

Simplify your benefits administration

Kavi Marketplace bundles all the tools necessary for companies with 2-50 employees based in Washington state to enjoy great employee benefits.

Designed to reduce your administrative workload, Kavi Marketplace features plans that are easy to understand and manage. Employers perform their own online administration via a comprehensive, real-time platform, and employees can shop and enroll in an online marketplace. Key advantages to Kavi include:

- » Consolidated billing
- » Comprehensive benefits
- » Web-based enrollment platform
- » Simple administration

Offering insurance benefits from leading providers

With several plan designs to choose from, employers will be empowered to pick the right combination of benefits to meet their needs, while taking advantage of Kavi's group purchasing power. Choose from:

- » **Regence BlueShield*** – Comprehensive medical, pharmacy and wellness plans
- » **Delta Dental of Washington** – Dental plan from the state's leading dental benefits company
- » **VSP Vision Care Inc.** – Vision insurance from the nation's only not-for-profit vision company
- » **LifeMap Assurance Co.** – Offering specialized life, AD&D and voluntary life benefits
