

Delta Dental COVID-19 Premium Relief Expected in November

August 26, 2020

Dear Valued Producer,

A bit of relief is on its way this fall to your groups enrolled in Delta Dental of Washington that utilize Vimly Benefit Solutions as their third-party administrator.

Delta Dental of Washington's COVID-19 Premium Relief plan was announced in May to help businesses coping with the impacts of the COVID-19 pandemic by providing premium relief from July to October.

Your clients participating in a Delta Dental plan during this four-month relief period will receive a relief check for the months they were active. The amounts due to each group will be determined by Delta Dental, with funds disbursed in a single check in November.

Your clients do not need to take any action to receive this relief. The checks will automatically be sent at the conclusion of Delta Dental's four-month relief period.
