Let NWBA be Your Benchmark with Instant Proposals and Illustrative Rating Capabilities

October 9, 2019

Get your quotes immediately while enjoying unlimited proposal activity with NWBA.

With the launch of the [AP Connect](#) producer portal, there are more reasons than ever to request a proposal from [Northwest Benefit Alliance](#) (NWBA)!

Instant Proposals from NWBA

You now can take advantage of instant NWBA proposals through AP Connect. Just click “New RFP” in the top menu, which will walk you through each step in the streamlined process. A more detailed tutorial also is available by clicking the “What would you like to do?” button in the bottom right corner of the page. From there, you can choose from the preset tutorials, which include “Submit an RFP” among other options, or just type a question.

Illustrative Rating Capabilities and Unlimited Proposal Activity

There's also no better time to experience NWBA's illustrative proposal capabilities that can help your clients compare community-rated plan options in one consolidated format. *For the remainder of 2019, illustrative proposals through NWBA will be released to you without impacting your annual proposal limit through AP Connect!*
