Affordable Health Care Coverage with Simple Administration

Keep Your Employees Healthy and Well with Access to Comprehensive Insurance, Legal and HR Benefits

Managing a benefit plan requires time and resources. Take that burden off your team with coverage from the Alaska Manufacturing Health Trust. Managing the plan is easy with access to a full suite of resources and comprehensive third-party administration.

Reward your employees with choice of coverage that includes medical, dental, vision and life/AD&D, along with benefits targeted to aid recruitment and retention of a diverse team:

- Large group buying power at competitive rates
- Value-driven medical insurance portfolio offering a flexible range of deductibles from \$500 – \$8,550
- Third-party administration includes consolidated billing and COBRA administration at no additional cost
- Unlimited access to a dedicated, professional, personal-touch customer service team
- Access at reduced rates to trainings on a variety of HR and legal compliance topics
- CirrusMD provides 24/7, fast and private access to a dedicated doctor at no cost to the member

In addition to health benefits, as a member of Associated Industries you'll have access to a team of first-class professionals ready to shoulder your human resources, employment law and training needs to protect and support your workforce.
