## Employee Benefits that Aim to Recruit and Retain

– WASEIA Partners with the CleanTech Alliance Health Trust –

Through our unique reciprocal partnership, members of the Washington Solar Energy Industries Association (WASEIA) now receive CleanTech Alliance membership benefits, which include access to the CleanTech Alliance Health Trust.

The CleanTech Alliance Health Trust provides health insurance to companies that develop products and services in the energy, environmental and sustainability industries. Our goal is to provide employee benefits as diverse as our customers and their different industry sectors.

We believe that administrating employee health benefits should be easy, convenient and accessible so our members can focus on changing the world.

Insurance through the Health Trust provides exclusive advantages such as a wide array of administrative services, as well as highly competitive group rates through contracts with the largest and most respected insurance carriers in Washington state.

### Convenient Access to Care 24/7

As a member of the CleanTech Alliance Health Trust, you have access to web-based tools and health support programs that allow you to visit your provider on your terms, including:

- **Virtual Care:** Expanded in-network access to a variety of options through 98point6, Doctor on Demand, Talkspace, Boulder Care and Workit Health.
- **24-Hour NurseLine:** Free, confidential health advice from a registered nurse, available 24/7.
- **Find a Doctor tool:** Search doctors, clinics, cost estimates and more.
- **BetterHelp Online Counseling:** Text, live chat, video or telephonic-based counseling.
