

## Together We Grow

Whatever Association Health Plan path you choose, Advanced Professionals is with you every step of the way.

Insurance &  
Benefit Solutions

Advanced Professionals Insurance & Benefit Solutions is a unique division of Newfront that is committed to making healthcare benefits simpler and more affordable for small and medium-sized businesses.

## What Type of Association Health Plan is Right for You?

Advanced Professionals Insurance & Benefit Solutions is the leader in Association Health Plan management. Here are three ways we can help your association.

### Association Health Plan

Advanced Professionals can help you stand up an Association Health Plan just for you. From legal and regulatory to carrier partnerships and marketing, we can help you every step of the way, ensuring you get the right plan for your members.

### Affiliate Programs

Associations may also opt to affiliate with a current Association Health Plan. Advanced Professionals can introduce you to complementary associations where you can share benefits and resources – including their health plan. It's up to you how you want to work with the association and which association partnership are right for you. We'll lead the way.

### Referrals

Just need help referring your members to a good, affordable health plan? We've got you covered. Your members can contact us directly to see what plans are available to their companies (group insurance only).
