# Alaska Industry Health Trusts Maintain Stability in Premiums, Plans with Renewal

February 24, 2022

**The state's only multi-industry Association Health Plan continues to offer a low-cost, sustainable solution.**

The Alaska Industry Health Trusts offered by Associated Industries continue to be your source for affordable and comprehensive employee benefits for small businesses, with **2022 renewals featuring a rate pass\* and no plan changes.**

As renewals for your enrolled groups become available via [AP Connect](#), take some time to explain how this stability in premiums and plans can help maintain lower health insurance costs for both employers and employees. With robust coverage to medical, dental, vision and life/AD&D options, this sustainable solution also offers HR advisory services and more through membership in Associated Industries (AI).

To learn more about the new plan year, please see the [2022 Alaska Industry Health Trust Producer Renewal Bulletin](#), which you also can find in the [AI Alaska Producer Benefit Portal](#) along with plan summaries, forms, contact information, marketing collateral and more.
