# CleanTech Remains Your Go-To Market for Construction, Building Sciences Industries

October 26, 2021

### **The industry's diversity continues to strengthen the Health Trust for 2022; no non-medical rate increases.**

Do you have groups in the energy, environmental and building sciences industries that are looking for a new health plan for the New Year? For 2022, the CleanTech Alliance Health Trust remains your go-to market for this diverse industry sector, as together we build a more powerful and versatile Trust.

For the 2022 plan year, the CleanTech Alliance Health Trust is excited to announce that there will be no rate changes in all non-medical suites, and no plan changes to the medical product suite. Dental enhancements for 2022 include posterior composites and cone beam imaging as covered benefits.

Robust virtual care options continue to be available through the CleanTech Alliance Health Trust for 2022, including:

- [98point6](#): Text-based primary/urgent care from a doctor, 24/7.
- [Doctor On Demand](#): Video and phone-based primary/urgent care and mental health therapy.
- [Talkspace](#): Video and text-based mental health therapy.
- [Boulder Care](#): Treatment for opioid use disorder and alcohol use disorder. Video visits and messaging with a therapist.
- [Workit Health](#): Treatment for opioid use disorder and alcohol use disorder. Live chat and video with a therapist.

The Trust also continues to offer even more to help your groups protect their employees with access to the [Allstate Identity Protection Pro Plus](#) plan.

To learn more about the 2022 plan year, see the [CleanTech Alliance Producer Renewal Bulletin](#) highlighted below.

### **Highlights for the 2022 CleanTech Alliance Health Trust**

As you work on your January 2022 renewals for the CleanTech Alliance Health Trust, we wanted to remind you how easy it is to access all the documents you need to complete the process through our [AP Connect](#) producer portal. This year, we're excited to introduce our new streamlined "Renew As Is" process that allows you to complete the renewal on your own, without the need for your client to log into AP Connect. And now, when you "Renew with Changes," we're saving you time by automatically updating all available data from your group's most recent renewal or new business submission. For more detailed information on the updated process and to help you prepare for your renewals, please download the [2022 CleanTech Alliance Health Trust Producer Renewal Bulletin](#), which also can be found on the [Omnitrade Producer Resource Site](#).

## Join the CleanTech Alliance November 9 at the Energy Leadership Summit

Take your knowledge of the cleantech industry to the next level at the virtual [Energy Leadership Summit](#) on November 9, 2021. Presented jointly by the CleanTech Alliance and the Northwest Environmental Business Council, this unique event connects policy with practice and addresses the industry's current challenges and future opportunities.

Join more than 400 industry leaders and policymakers from across the Northwest to explore the nexus of energy, climate change and the region's economy at this prime opportunity to meet new prospects for the CleanTech Alliance Health Trust.

As a sponsor of the event, Advanced Professionals has access to a limited number of registrations that will be provided on a first-come, first-served basis. If you are interested in attending, please email [communications@advprofessionals.com](mailto:communications@advprofessionals.com).

### Reciprocal Members of the CleanTech Alliance

The goal of the CleanTech Alliance Health Trust is to provide plan offerings as diverse as our customers and their different industry sectors. With the addition of the below reciprocal relationships, we hope to help expand your access to prospective members for the Health Trust, while also continuing to broaden the diversity of the sectors we serve.

Evergreen Rural Water of Washington, formed in 1994, is a non-profit organization that provides training and technical assistance to water and wastewater systems throughout Washington state.

[Visit ERWOW.org](http://www.ERWOW.org)

The Roofing Contractors Association of Washington is designed for all roofing industry businesses or associated businesses with a core effort to bring fresh ideas, education and passion to support the state's roofing industry.

[Visit RCAW.com](http://www.RCAW.com)

Washington Solar Energy Industries Association (WASEIA) is a professional trade association that educates legislators and regulators while promoting public understanding about the impacts of policies related to solar energy in the state of Washington.
