# Total Solution

Obtaining insurance has never been easier.

The new way for venture-backed technology companies to secure competitive and broad insurance coverage in a fraction of the time.

Emerging companies like yours exist to disrupt industries and revolutionize the world. This takes time - obtaining insurance should not.

Our firm is recognized as the industry leader in providing insurance and risk management solutions to VC-backed technology companies. We understand companies like yours, guide you as you scale, advocate for you, and help you understand the unique risks inherent in your business. This is what we do today. This is what we have always done. Advising companies like yours is in our DNA.

Leading insurtech companies tout a streamlined process with competitive premiums, but they are often sorely lacking in expertise and advocacy. Total Solution offers the best of both worlds.

Newfront's proprietary product analyzes your risk profile – tailoring coverage appropriate for your business needs. Quality and comprehensive – bespoke and scalable – custom matched specifically for you through the world's underwriting leaders for technology and life science companies.

Total Solution addresses key growth concerns including product liability, international, D&O, EPL, and E&O/Cyber in one suite, with exceptional carrier and claims support.

Protect your business and focus on realizing your dreams with Total Solution.

**Expert risk consulting,** focused on technology and life science companies.

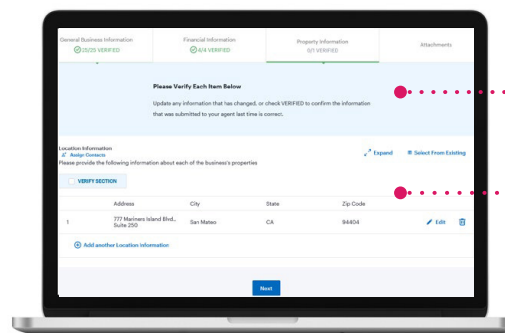

**Unmatched experience,** having served thousands of venture-backed clients.

**Global reach** in over 500 offices, in 100 countries on 6 continents.

## Insurance made simple.

**Intuitive process** captures information needed to guide you through the application and coverage options.

**Targeted application** is quick, straightforward, and easy to understand - no insurance knowledge necessary to identify your unique risks.

**About Newfront.** Newfront is transforming the delivery of risk management, employee experience, insurance, and retirement solutions by building the modern insurance platform. Transparent data delivered real-time translates into a lower total cost of risk and greater insights. Newfront makes insurance work for you.
